Introduction

Welcome to Harvest City Christian Academy, an Associate School within Regina Public Schools providing a Christian alternative for education within the Regina Public system. This handbook provides students and families with information about the operations of our school.

Mission & Vision

Harvest City Christian Academy's mission is to assist parents by providing a quality, Bible-based education in a Christian environment. This is accomplished by nurturing each child to grow spiritually, academically, socially and physically, with an emphasis on Christian values and character development.

Our vision is to educate godly youth through biblical values, character building, and academic excellence.

Regina Public Schools Shared Values reflect what is expected of everyone in the school community. They serve as a guide for students, parents/caregivers and all school division personnel. The four statements of ***I Belong; I Want to Know; I am Responsible; and I Respect*** stress the value that the school division places on creating safe and caring environments where learning is the goal for all students. Regina Public Schools is committed to the principles of equity, diversity and inclusion and to ensuring a safe, equitable and welcoming environment for all students and staff.

Land Acknowledgement

We acknowledge that Harvest City Christian Academy is on Treaty 4 Territory, the lands of the Cree, Saulteaux, Dakota, Nakota, Lakota, as well as the homeland of the Métis Nation. We respect and honour the Treaties that were made on all territories; we acknowledge the harms and mistakes of the past; and we are committed to move forward in partnership with Indigenous Nations in the spirit of reconciliation and collaboration.

Mental Health and Well-Being Vision Statement

HCCA is a safe and respectful community that cultivates the full potential of all individuals through an inclusive and supportive environment that fosters mental health and well-being.

Legal Name Change

In Saskatchewan, the Change of Name Act, 1995 provides the framework for legally changing your name. You must provide the Legal Name Change Certificate to the school. The school will communicate with the Ministry of Education to facilitate this change.

Change of Address/Phone Number

In case of an emergency, the school needs to know how to contact parents or caregivers. Please complete a **Contact Information Change Form** (see appendices) or call the school if there is a change to your home address, email address, phone number(s), or a change in family/caregiver status/responsibility.

When necessary, Regina Public School Division uses an automated communications system to make phone calls, send emails and text messages to all families.

Allergies

HCCA should be informed of any student allergies. Any updates to student allergies or first-aid treatment if exposed to allergens can be made at the school office.

We are a nut-free learning/working space. We have people in our building with severe allergies to nuts including peanuts and tree nuts (almonds, cashews, hazelnuts, macadamia nuts, pecans, pistachios, and walnuts). Please refrain from bringing any nut products into our school or any Regina Public School.

Scent-Free Facilities

We are also a scent-free learning/working space. Please refrain from using or wearing scented products in our school as well as all other Regina Public School locations. We have people in our building with severe sensitivities and reactions to scents. This policy applies to ALL scents including, but not limited to:

- Perfumes
- Body sprays
- Scented body lotions
- Colognes
- Scented hairspray
- Strong deodorants

Opening Exercises

Our grades 8-12 students meet as a whole group in the library for opening exercises at various times throughout the year. We use this time to acknowledge and celebrate extracurricular teams and clubs, as well as share any school updates and announcements that students need to be aware of.

Transportation & Parking

Harvest City Christian Academy does not provide transportation for students. Parents and Guardians are responsible for arranging timely drop-offs and pick-ups for their students. Gr. 8-12 students can be dropped off and picked up on 8th Avenue North or in the back North parking lot. If they have a younger sibling, please note that **K-7 students are NOT permitted on 8th Ave N. for drop-off or pick-up.** Vehicles are NOT permitted to stop in the alleyway at any time, and drivers should not use the staff parking lot unless a parent/guardian needs to come into the school - then only one of the available visitor spots may be used.

If a student is able to drive themselves and wishes to park on school property they must adhere to the following guidelines:

- Let the school office know the make/model of their vehicle(s) and license plate number(s)
- Park only in the North parking lot beyond the first to rows of angled parking
- Do NOT park on 8th Avenue North or in any of the Staff or Church designated parking
- Keep maximum speed to 15 km/hour and obey all parking lines/traffic signs

****Students are NOT permitted to transport other students to or from any curricular or extra-curricular school events.***

Visitors

It is important that we work to preserve an environment of student learning and to maintain privacy for all students. Visitors are welcome at our school; however, the safety and best interests of our students and staff require careful control of visitors to the school. **All visitors (including visiting students from other schools and former student siblings) are required to use the 8th Avenue N. main entrance and must report to the school office upon arrival.** Visitors will be given a visitor badge to wear while in the building and should return it before leaving. Any visitors who are dropping off items for students or staff will be asked to leave the item at the office and the student or staff member will be called down at a break time to retrieve it. Parents/Caregivers wishing to speak with a staff member are encouraged to phone or email the school to schedule an appointment.

Volunteer Opportunities

Many parents/caregivers assist in schools through a variety of activities such as extracurricular activities, field trips, or school events. Please note that all school volunteers must have a Criminal Record Check completed from either the Regina Police Service or the Royal Canadian Mounted Police (if you live outside of Regina), including a vulnerable sector check dated within three months of placement. Please check with the school about Criminal Record Check guidelines.

Criminal Record Checks from a third-party provider will not be accepted.

Parent Teacher Association

At Harvest City Christian Academy, we have a Parent Teacher Association (PTA). All parents and guardians are members at large. There is also a PTA planning committee that meets regularly. The PTA committee oversees and supports fundraising efforts and events that benefit the student body. If you are interested in joining the PTA planning committee, please reach out to the principal, Kathleen Christoffel.

Illness and Accidents

Saskatchewan Health Authority recommends if your child is experiencing any of the following symptoms: fever, rashes (not due to allergic reaction), vomiting/diarrhea, flu-like symptoms or redness and itchiness of the eyes, they should not attend school, and your health care provider (or 811) should be contacted.

Any injury suffered while at school should be reported to the classroom teacher or to the office by the student suffering the injury or other individuals aware of the incident. In the event of an emergency or illness, parents/caregivers will be notified immediately.

Lockers and Personal Property

All lockers are the property of HCCA and are loaned to students for the duration of the school year. Students should maintain clean, neat lockers at all times and the lockers must not contain any inappropriate material. Students are responsible for all damage beyond normal use. Personal items should **NEVER** be left in any lockers in the gym locker rooms. and personal locks are not permitted in the locker rooms.

Locker searches by the school administration are permissible at any time when there is just cause. In this case, the Principal or VP is acting as an agent for the School Board and not as an agent of the police. Students may or may not be present when the locker is being opened.

The school will not take responsibility or provide reimbursement for any lost/stolen personal property. Our school recommends that personal items be clearly labelled clearly with the student's name and are kept secure in backpacks or lockers. Cellular devices, electronics, money, and other valuable articles should not be left in lockers. The school does not insure personal property.

Bicycles should be secured with a quality lock in one of the bike racks located on school grounds. Bike racks are monitored by cameras however, they are still left at the owner's own risk.

The "lost and found" is located in a large bin in the multipurpose room. A couple of times per year, all items will be set out on display. Communication will go home informing parents to look through items to retrieve anything belonging to your students. High School students are responsible to look through the lost and found on their own time. Any items that have not been claimed will be donated.

School Property

All students are expected to use school-provided materials, furniture, calculators, technology, etc. in the way they are intended. Abuse and vandalism may be subject to replacement costs.

- The school and all school equipment should be treated with the same care, or even better than, your own valued possessions.
- Property of others should be treated with respect.
- Course textbooks, lab books, etc. **MUST** be signed out from your teacher and students are responsible for all items that have been signed out to them.
- All textbooks and other school resources must be returned at the end of the semester.
- Do NOT write in or highlight school resources. You will be charged for any missing or damaged books at the end of the semester.

Extracurricular Activities

Extracurricular activities are an important addition to the curricular component of HCCA's programs. All extracurricular activities require the voluntary commitment of an employee, or other adult, under the supervision of a school staff member. Extracurricular activities are a privilege that we encourage all students to explore. If a student wishes to participate in an extra-curricular activity that requires a fee, it is expected that they will provide the fee in a timely manner in order to participate.

Students participating in extracurricular activities are expected to demonstrate behaviour and attitudes that are consistent with the values of the school and in line with the Student Code of Conduct. Failure to do so may result in a meeting with school administration and if necessary, consequences which may include but are not limited to any of the following:

- a probation period
- suspended from participating for the season
- ineligibility to participate in extra-curricular activities
- suspension from the school

Personal Electronic Devices

The Ministry of Education has directed all school divisions to ban the use of personal electronic devices during instructional time in Kindergarten to grade 12. This procedure is intended to lessen the negative impacts of personal electronic devices in classrooms and support teachers and school staff in promoting safe, effective and welcoming learning environments. The use of personal electronic devices by students in schools has been demonstrated to:

- Increase incidents of distraction;
- Contribute to problematic social media use;
- Affect a student's ability to build connections with their peers;
- Be associated with acts of bullying, including cyberbullying; and
- Be associated with a range of behavioural and mental health issues affecting students.

Please review the *Student Use of Personal Electronic Devices Administrative Procedure (AP 224 - see appendices)*. Students who choose to bring their PED to school for non-instructional times are doing so at their own risk.

All Personal Electronic Devices (cell phones, smart watches, earphones/buds, iPads, etc.) can be left at home. If a student chooses to bring a PED to school, the device will be expected to be in the classroom cell phone holder or in a backpack during class time. While in the holder or backpacks, devices should be powered off or silenced to prevent any distractions. Incidents related to improper use of personal electronic devices will be addressed in the following way:

1st Infraction — Student hands the PED to the teacher who ensures it is in a secure place to return to the student at the end of the day. A Parent/Guardian will be notified by the Teacher.

2nd Infraction — Student hands the PED to the teacher who will give it to Admin. Admin will return it to the student at the end of the day. A Parent/Guardian will be notified by the Teacher.

3rd Infraction — Student hands the PED to the teacher who will give it to Admin. Admin will return it to a parent/guardian only. A Parent/Guardian will be notified.

4th Infraction — May result in loss of privilege, additional consequences or progressive suspension.

Attendance Protocols

Regular Attendance

School attendance is both a right and a responsibility. Regular attendance is one of the most important aspects of academic success and punctuality is also important. It is expected that students will be in class, be on time and work to the best of their ability. Our school staff partners with students and families in ensuring students meet or exceed the attendance requirements of the Saskatchewan Education Act, 1995.

However, if your child will be absent from school, please use the Edsby Parent Portal to record the absence or call the office. If your child needs an early dismissal for a medical appointment or any other reason, please also use the Edsby Parent Portal to indicate this or call the office.

Lates & Absences

For any absences or excused lates, please ensure that a parent/guardian notifies the school with the reason in Edsby or by phoning the school office.

- Chronic absence according to Regina Public schools is 18 or more days. Warning signs for attendance is when a student has missed 10—17 days. Good attendance is considered to be 9 or fewer absences.
- If students are late arriving to class, they must proceed to the main office to fill out a late slip
- If a student is 30 or more minutes late arriving to class, they will be marked ABSENT from the class. (Arrival time to class will reflect when a student is in the classroom ready to engage in their learning *NOT* the time they arrive at the school building.)

It is important that parents/guardians work with the school to maintain accurate attendance records. Absences and lates are entered as unexcused unless we receive communication directly from a parent/guardian. Attendance should be reviewed on a weekly basis using parent portal and any corrections must be made within five school days.

- After 10 course absences, school administration will send communication home.
- After 20 course absences, a student **may be withdrawn from the course**. A letter of notification will be sent to the parent(s)/guardian(s). A meeting with the school team will be required to discuss next steps.

Extended Absences

At times, families may choose to take holidays or visit home countries during the school year. Parents/Caregivers must inform the school prior to the absence. It is impossible to replicate missed in class learning experiences. Families must reach out to the administration to discuss extended absences.

Appointments and Early Sign-Out

Families are encouraged to schedule appointments outside of school hours whenever possible. If a student will be leaving class during the day, please make arrangements before classes begin for that day (when possible). Parents/guardians need to inform the school office if a student will be leaving either by entering the planned absence in Edsby or calling the school office.

Parents/guardians must sign-out their student (in Gr 10 & below) on the sign-out sheet located at the main school office before leaving. Students in Gr. 11 & 12 are permitted to sign the sheet themselves, however, they still need a parent/guardian to inform the school of the reason for the absence. If the student is returning again before the end of the day, please sign the student back in at the office. Students in Gr. 11 & 12 must also remember to sign themselves out and back in if they are leaving the school during a spare. It is imperative that the sign-out/sign-in sheet is accurate, as this list is used in the event of an emergency evacuation to ensure everyone in the building is safe and accounted for.

Student Responsibilities

Breaks

- Students are to use their break times between classes to fill up their water bottle, use the washroom, and prepare for their next class
- Students are asked to be quiet when walking through the foyer and are not allowed to be hanging out in the foyer during school hours

Goals Period/Spares

When students do not have a scheduled class, they will be in an assigned room. Students are expected to be working during this time. If working in small groups, please ensure voice volume doesn't disturb others. Group work will not be allowed when others are writing tests in the room. Grade eleven and twelve students, with permission from a parent/guardian, may choose to leave the school during their spare (Students must sign out at the office when they leave.)

End of Day Procedures

At the end of the day, students need to ensure their student laptop is turned off and plugged in at their designated location. If requested by the teacher, chairs should be put up on tables. Students should also collect any required letters/announcements from their mailbox before leaving. Students are not permitted to hang out in the foyer after school. They should proceed to their vehicle or may go to the mall. If transportation is delayed, they may wait in the library provided they are quiet and following all library guidelines.

Student Schedule Changes

Any changes to student course schedules must happen within the first two weeks of a new semester to ensure students are able to earn the credit in a new course being added to their schedule. All changes have to be made through the Guidance Counsellor, Ms Cook and changes require prior approval from parents/guardians.

Monthly Scripture

Each month, during their Christian Ethics course, all high school students are responsible for the memorization of the monthly portion of scripture that is selected based on our school's theme for the year. Students may choose to recite or write their monthly scripture by the designated date. Scripture accounts for a portion of their final Christian Ethics mark.

Library

- New students will need to see the school librarian to get an account for signing out resources
- No food or drink is permitted in the library
- Please remember that we share the library with the elementary school, as well as church staff offices
- Please be respectful of noise level and cleaning up before you leave the library
- If you are moving tables or chairs, they must not block any office doors, as staff need to be able to enter and exit their offices easily

Student Edsby Use

Edsby is used for student grading, reporting, attendance, and communication. Students are expected to use Edsby regularly to access updates on their grades, upcoming or missing assignments, attendance, and any communication from their teachers. It is recommended to access Edsby using a web browser for the most complete experience. Edsby does have a free Apple or Android app for all smartphones and tablets. Edsby works great within your phone's web browser as well. For new students, an access request form will need to be completed by a parent/guardian. Student accounts are set up with Mrs. Glover and any login difficulties can be resolved with her, including changes to email addresses and passwords.

Student Entrances

- Please wipe your shoes on the mats when entering the school.
- Students may NOT use the west wing door (preschool area/administration) or the Link doors (church entrance on the North side). All other entrances are permitted for all Gr. 8-12 students
- Entrances are not a hang out area.
- Do not leave any personal belongings (i.e. backpacks, binders, clothing, etc.) or your school provided laptop in the entrances or foyer unattended.
- Any younger siblings in Kindergarten - Grade 7 are only allowed to use the North-East Student Entrance.

Standard of Conduct

*The following is taken from the Standard of Conduct form that is completed by parents and students when they enroll at HCCA. A signed copy of this is kept on file for each student. Then on an annual basis, students and parents/guardians will complete an online form indicating they have read and understand the Standard of Conduct. **Any changes will be updated in this handbook.***

Respect and Protect Others

Fair Notice – Recording of School Events

Notice of Recording

Please note that **photography, audio and video recordings** may be captured at school events—especially those open to the public (such as assemblies, performances, sports games and graduations).

Purposes of Recording

Recordings may be used by the school or school division for **educational, promotional, archival or communication purposes**, including use on school websites, social media, newsletters and yearbooks.

By attending, you acknowledge and consent to being recorded. If you have concerns about inclusion in recordings—such as having a child you do not wish to appear—**please contact the school in advance** so that accommodations (like alternate seating or cropping in materials) can be arranged.

Recording by Private Individuals

We request that attendees **only take pictures or video of their own children and avoid posting any group images or recordings** without explicit consent. This ensures and respects the privacy rights of all students, families and staff.

School Safety

Student Discipline

All students have the right to learn and interact in a safe environment. When a student's actions affect the safety or learning of others, a progressive disciplinary measure may be applied. Any discipline will respect the dignity of all individuals.

Assessment of Risk to Others (ARTO)

It is the commitment of Regina Public Schools to treat all students with dignity and respect. This includes intervening to protect students from injuring themselves, other students, staff or members of the public. Ensuring safety establishes a safe, caring, calm and productive learning environment. The Division follows a multiagency community protocol (ARTO), which was developed to assist with maintaining a safe environment for students, staff, parents, guardians, caregivers and community members. As an Associate School of Regina Public, Harvest City Christian Academy also follows this protocol. All high-risk behaviours will be taken very seriously, investigated following the ARTO protocol and include an appropriate response.

ARTO allows community partners to share information and use their expertise to provide support to students and their parents/caregivers. A *Fair Notice* letter will be shared with parents/caregivers at the start of each school year.

Bullying

Bullying is targeted aggressive behaviour that is typically repeated over time and may take on the form of physical, verbal, psychological, social or cyber-bullying. Students must report any incidents of bullying to a staff member in a timely manner.

Harvest City Christian Academy seeks to provide a learning environment free from harassment and bullying of any kind. We are committed to providing a compassionate, receptive, and non-threatening atmosphere in which each and every one of our students can learn and flourish. We promote an attitude of respect and dignity towards others. We prohibit all forms of bullying.

Incidents Outside of School Hours

For any behaviours of concern that take place outside of school hours, off school property or online, parents/caregivers are encouraged to contact Regina Police Service.

Smoking and Vaping

Smoking and vaping are not permitted in our school building or on the school grounds. Violators may be subject to a ticket and fine from Regina Police Services.

Role of School Resource Officer

School Resource Officers (SROs) work to build positive connections with staff and students to create a safe environment. SROs may provide education on the following topics: general safety, social media, alcohol and drug education, impaired driving, anti-bullying, inter-personal (domestic) violence, stranger awareness, pedestrian safety, life skills and the justice system. SROs also investigate reports to police involving schools.

Emergency Response

We work closely with Regina Police Service and Regina Fire and Protective Services to help ensure that our school is a safe place to be. Throughout the school year, we will practice evacuation and lock-down drills.

- **Lockdown Drill** - All school occupants are secured in designated locked area inside the building and regular activities are stopped.
- **Evacuation Drill** - Students and staff will exit the building to a designated location. All students and staff will be accounted for once safely exited.

Technology and Privacy Expectations

The Regina Public School Division recognizes that technology, when used appropriately, may contribute positively in a number of ways to the school climate and student learning. Student sharing, distribution, broadcasting or posting of personal information to the Internet must comply with Canadian and Saskatchewan law including *The Criminal Code of Canada*, *The Privacy Act* and *The Local Authority Freedom of Information and Protection of Privacy Act*. Recordings or images made secretly and/or used maliciously by a student may result in school disciplinary action up to point of expulsion and may include police involvement.

Student Supports

Interventions

The school division has developed a tiered approach to respond to various student needs. A team of school-based and/or division-based professionals work together to provide academic and/or behavioural interventions. Harvest City Christian Academy follows Regina Public School guidelines and best practice when it comes to supporting students' needs and has access to the division-based professionals as a part of our Associate School Agreement.

Working With Outside Groups

Regina Public Schools works to support students and parents/caregivers in the community. In association with Regina Public Schools, HCCA works alongside several outside agencies to support student and family success. Such agencies could include but are not limited to:

- Ministry of Social Services
- Regina Police Service
- The Regina Intersectoral Program (TRiP)
- Saskatchewan Health Authority (SHA)

If an Authorization for Exchange of Information is required for these agencies, parents/caregivers will be notified.

Academic Protocols

Teachers plan learning experiences based on the curriculum that is prescribed by the Ministry of Education. Curricular learning outcomes for high school courses are available on the Government of Saskatchewan website. As outlined in Bill 137, parents/caregivers will be informed by the principal at least two weeks in advance of sexual health content being presented.

Evaluation & Assessment

Report cards are issued at the end of each semester (January and June) and published in Edsby for students and parents/caregivers. Parents/Caregivers are also invited to participate in two three-way conferences during the school year. Reporting to parents/caregivers occurs regularly throughout the school year through the use of Edsby.

Assessment and evaluation are integral components of the teaching-learning cycle. Effectively planned assessment and evaluation promote learning, builds confidence and develops students' understanding of themselves as learners. It also improves and guides future instruction and learning.

The assessment of student progress in relation to outcomes outlined in programs of study is important for the following reasons:

- Teachers will use this information to inform instruction, to plan learning activities that are appropriate for all students, and develop intervention plans
- Allows for reporting student progress clearly to students and parents
- Aids in decision making regarding student placement
- Program effectiveness can be evaluated and programs revised to improve student learning

Expectations for teacher reporting:

Effective summative assessment strategies are aligned with curricular outcomes, emphasize the most recent and consistent evidence of learning, are respectful of student diversity, and are used to make decisions about students based on a variety of evidence.

- Course outline and mark breakdown can be viewed through student and parent Edsby.
- Assessment is updated every two weeks or every 10 hours of course study.

Responsibilities:

A clear understanding and communication of the role of all stakeholders in a school is necessary. When all stakeholders work together from a common understanding the result is an effective educational environment.

Roles & Responsibilities

Role of the School:

- Introduce the concepts of personal responsibility, honesty and integrity in an age-appropriate manner in keeping with curriculum expectations
- Teach students proper conventions for referencing the ideas of others (and A.I.) in written work
- Explain expectations of students in relation to assignments, including how assignments will be evaluated, due dates and implications of submitting work after the due date
- Ensure that tasks evaluated are reflective of curricular outcomes
- Adapt assignments to suit learning environment, instruction, assessment, and resources
- Help students meet their due dates for each course
- Communicate in a timely fashion, with the student(s) and parent(s)/guardian(s) to discuss issues related to incomplete work
- Provide marks to students and families
- Assess, return, and review assignments - this includes submitting marks and indicating the status of assignments codes
- Offer credit completion to qualifying students
- Ensure the final week of each semester is free from cumulative assessment
- No final exam will exceed 20% of the overall mark

Role of the Parent/Guardian:

- Discuss examples of acceptable and unacceptable academic behaviour with their children
- Support their children to complete assignments by ensuring that schoolwork is a priority, making time and space for schoolwork, discussing due dates and expectations for assignments, and encouraging their child to develop a plan for completing work on time
- Model respect for school policy and teacher guidelines regarding assignments. Notice and praise positive behaviours, such as finishing work on time and taking responsibility for one's own work, and offer helpful and constructive feedback to their children to assist them in developing personal responsibility for their schoolwork
- Encourage their students to assume responsibility for their own learning, including getting to school and class on time, attending school regularly, submitting quality work on time, and doing their best to prepare for tests and exams
- Ensure their student(s) attend all final exams

Role of the Student:

- Assume responsibility for their own learning, including getting to school and class on time, attending school regularly, submitting quality work on time, and doing their best to prepare for tests and exams
- Take personal responsibility to be aware of the short and long-term consequences of submitting late assignments
- Document their sources of information properly by using footnotes or other references, and place a bibliography or list of references at the end of the assignment to indicate the sources used (including A.I.)
- Be aware of and respect due dates and access Edsby gradebook (student portal) to review their marks on a regular basis
- Prepare for, attend, and complete all final exams

Late/Missing Assignments

Teachers will publish clear and concise dates and times that they expect assignments to be submitted. All assignment due dates will be displayed in Edsby when the assignment is assigned. All students are expected to submit assignments on time to receive timely feedback to support student learning. While circumstances do exist that delay the submission of assignments, every effort must be made by students to communicate before any assignment is submitted late.

Zeroes on Assignments

Students will be provided assignment completion opportunities in the form of a classroom work period, lunch or afterschool homework room, etc. In some cases, students may be required to complete late assignments in the presence of a staff member. All extensions (which are to be requested prior to the due date) are limited to seven calendar days following the original assigned due date.

On the due date, missing assignments will be indicated as **LATE** and a mark of **ZERO** will be entered in Edsby which will impact incentive/recommend status. Zeroes act as placeholders in order to report an accurate standing at that particular time in the semester. Students will have up to seven calendar days following a missed due date, to submit their late assignment. Following the seven-calendar day window, a “NOT DONE” code will be applied and the mark of **ZERO will be permanent** which means the assignment will no longer be accepted for marks (with exceptions made for students who are below 50% in the class, in which case, late/missing work will only be accepted and credit given to bring the student up to a passing grade of 50%.)

Students should attend all mandatory assignment completion opportunities. All decisions are subject to review by the administration team of the school.

In order to ensure that teachers are able to provide timely, authentic, feedback, students who miss a scheduled in-class summative assessment, such as a unit test, quiz, or exam may (at the discretion of the teacher) be provided one opportunity to re-take the assessment, with the date and time within the seven days to be established by the teacher.

Requesting a Retest

Once per course, if a student has scored less than 50% on a test, they can request a retest. In order to do this, students must:

- Complete a Request to Retest form (the retest must be scheduled within 2 weeks of the original test date)
- Submit completed form to the course teacher (with parent/guardian signature)
- Complete retest preparation as listed on the form (minimum of 3 suggested activities to help with review)
- On the day of the retest, submit all retest preparation evidence/proof to the course teacher prior to taking the retest.

Academic Incentive & Recommend Policy

INCENTIVE

When a student exhibits diligence, positive attendance habits, and demonstrates their understanding of course content throughout the semester, they may qualify for Incentive in that subject. If a student receives Incentive in a course, when writing their final exam their final mark will not be negatively impacted, provided they score within 20% of their mark on the final exam.

TO QUALIFY FOR INCENTIVE IN A COURSE A STUDENT MUST:

- Have a mark between 70% - 89% going into the final exam
- Have no unexcused absences in the class
- Have no more than 10 consecutive absences in the class
- Have no more than three unexcused lates in the class
- Have no missing assignments
- Have no more than 3 late assignments
- Have no zeros on any assignments
- Have no more than 10 total absences in a course (UEX & EX)

RECOMMEND STATUS

In addition to Incentive, students may qualify for a Recommend in their Humanities (History, ELA, Psychology), Math, or Science courses when they have demonstrated a solid understanding of the course material (excludes Christian Ethics). If a Recommend is given in a course, students could be exempt from writing the final exam. If a student receives a Recommend in more than one or all of their courses, they can choose which ONE final exam they would like to be exempt from writing and inform their teachers.

TO QUALIFY FOR RECOMMEND IN A COURSE A STUDENT MUST:

- Have a mark between 90% or higher going into the final exam
- Have no unexcused absences in the class
- Have no more than three unexcused lates in the class
- Have no missing assignments
- Have no more than 3 late assignments
- Have no zeros on any assignments
- Have no more than 10 total absences in a course (UEX & EX)

Students who receive a Recommend but would still like to write the final exam in an attempt to improve their mark, may do so. When writing exams, Incentive still applies and final marks will not be negatively impacted provided they score within 20% of their mark on the final exam.

*Christian Ethics classes do not qualify for a Recommend, but Incentive can still be earned; final exams or final projects would still be required in Christian Ethics.

The preliminary cut-off to calculate if students have earned Incentive or a Recommend will occur at 3:30 PM ONE WEEK PRIOR to the first scheduled exam date. Students must maintain their eligibility until the end of the semester (no lates, no missing assignments etc.).

Students will lose their Incentive and/or Recommend status in **ALL** classes if they engage in academic dishonesty (plagiarism, copying, cheating, etc.) or receive a suspension for a code of conduct infraction.

Homework Crush Days/Weeks

Throughout the year, the school will run mandatory Homework Crush Days and mandatory Homework Crush Weeks. Any students who have accumulated missing assignments (and are sitting below 50%) will be required to attend these days/times to help them complete their missing assignments. Notices are sent out prior to a Homework Crush Day or Week and parents/guardians are asked to sign the form and return it to the school indicating that their child will be in attendance until their missing work is complete.

Homework Crush notices will be sent home prior to these dates during the 2025-2026 year:

All final exams will be written at the school in a designated exam room. If alternate arrangements or adaptations are required, the Learning Resource Teacher (LRT), Pam Blenkin, will work with the student and teachers to ensure the student accommodations will be met prior to writing the exam.

Graduation/Cap & Gown

Our school supports and acknowledges that the high school graduation ceremony is an important milestone and celebration of students' successful completion of their high school education.

At the end of every year, Harvest City Christian Academy will conduct a cap and gown graduation ceremony. This ceremony is for students who have completed, or are eligible to complete, the requirements for graduation in accordance with the Ministry of Education and school-based criteria.

Responsible Use of Technology/ Digital Citizenship Agreement for Students and Parents

Harvest City Christian Academy, as well as Regina Public Schools, believe in preparing, engaging, and inspiring its students to prosper in a rapidly changing and information rich society. We are committed to attaining high levels of achievement and equitable opportunities for all students through the strategic provision of and effective use of technology. To this end, students of Harvest City Christian Academy and Regina Public Schools have access to a variety of technology resources to enrich, enhance, and even transform their learning experiences inside and outside of instructional time.

We believe that the benefits to students gained by accessing electronic information, in the form of information resources and opportunities for collaboration, exceed any potential disadvantages. In the best interests of students, Harvest City Christian Academy will employ the use of a recognized system software program which will normally not permit access to inappropriate (offensive, obscene, illegal) external electronic sites. However, we have neither the resources nor the control to monitor every aspect of student technology use. The purpose of this responsible use/digital citizenship agreement is to foster the independent use of school-owned and student-owned technology, subject to compliance with procedures and guidelines for appropriate behaviours.

Students are responsible for demonstrating acceptable behaviour when using school electronic technology, just as they are responsible for their actions within a classroom or a school hallway. Our Student and Parent Code of Conduct also applies to all use of technology and digital citizenship. Access to technology must be recognized and accepted as a privilege—not a right.

Student Responsibilities for Respecting and Protecting Themselves:

- I will honour the code of conduct and all school rules when accessing technology for school while in the building and also outside of the school facilities. Ex. accessing OneDrive at home
- I will take responsibility for my actions when posting or viewing online information and images.
- I will use technology to represent myself in a dignified way and to create a positive digital footprint, refraining from using obscene language.
- I will only use my personal account(s) and will keep all of my passwords private and will not trespass in another user's account for any reason.
- I will not reveal personal information about myself with any online service or person.
- I will not access inappropriate materials, offensive graphics or messages and I will report inappropriate material to a staff member.
- I will only use technology for school related purposes while at Harvest City Christian Academy and I will not participate in online chat sites during class time or on a school device. Ex. Discord

Student Responsibilities for Respecting and Protecting Others:

- I will always seek to honour others while using any type of technology and will not degrade, defame, insult, or harass others.
- I will not reveal personal information about other individual(s) with any service or person.
- I will obtain permission of individual(s) before sharing photographs, video, or any information about them.
- I will obtain permission of individual(s) AND a staff member before sharing collaboratively created electronic data.
- I will not forward inappropriate materials or communications.

Student Responsibilities for Respecting and Protecting Intellectual Property:

- I will learn and follow federal copyright laws and fair use guidelines.
- I will learn and use citation correctly.
- I will not plagiarize information from existing sources or use AI in any way that violates our school policies.

Student Responsibilities for Respecting and Protecting Property:

- I will take full responsibility for, and respectfully use, any technology available to me within Harvest City Christian Academy, ensuring that I do not damage computers, computer systems, or computer networks.
- I will use network bandwidth reasonably and responsibly, not engaging in practices that may compromise the integrity of the network. Ex. Downloading files, without permission, that may introduce a virus to the system
- I will treat electronic storage and technology like any other school property and understand that system or school personnel may review files and communication within my school issued technology to maintain system integrity. No file stored on the school servers or OneDrive is private and may be monitored to ensure that school standards are complied with in the use of school computers and networks.
- I will not use Harvest City Christian Academy technology for commercial or personal financial gain.
- I will not intentionally waste limited resources, such as paper or ink.
- I will report security or network problems to an HCCA staff member.

Student Responsibilities for Personal Technology:

- I understand that using my personal technology such as a phone or a laptop in an inappropriate way during class-time may result in a staff member confiscating the technology, which will be returned at a later time.

Student Agreement

- All students must follow the expectations of these guidelines and will conduct themselves as responsible digital citizens.
- The use of technology is a privilege, not a right, and inappropriate use may result in administrative staff denying, revoking, or suspending access to technology at any time.
- Inappropriate use of technology may result in disciplinary action/guidance appropriate to the student's age/developmental level.

Parent/Guardian Agreement

- As the parent or guardian of the student signing above, I have read and support this contract and have discussed with my student their responsibilities.
- I understand that the use of technology at Harvest City Christian Academy is a privilege, not a right, and inappropriate use may result in administrative staff denying, revoking, or suspending access to technology at any time.
- I agree to report any unacceptable online behaviour to the school principal. This includes but is not exclusive to communication or postings that indicate or suggest pornography, unethical or illegal activities, racism, hatred, harassment or inappropriate language.
- I understand that Harvest City Christian Academy will not assume legal liability for inappropriate use, and that I will hold some responsibility for violations of this agreement by my student.
- I understand that I will be notified concerning any serious breach of this agreement that my student has participated in, especially where their account privileges are suspended or cancelled.

Official agreement forms are signed during the student application and enrollment process for Harvest City Christian Academy and signed forms are retained on file.

These handbook pages are for informational and reference purposes only. Copies of the official form can be obtained from the school office.

While enrolled at Harvest City Christian Academy, all students must have a signed copy of this agreement on file. Parent consent is required for students under Grade 4. Both student and parent consent is required for students in Grade 4 and beyond when registering.
