HARVEST CITY CHRISTIAN ACADEMY

The Kindergarten Program

At Harvest City Christian Academy we believe in developing the whole child — socially, physically, intellectually, and spiritually. Our vision is to educate children through Biblical values, character building, and academic excellence. Our small class sizes allow the teacher to spend time with individual students — to give them the attention and instruction they need — to have a positive start to their school experience.

Our Mission

To assist parents by providing a quality, Bible-based education in a Christian environment. This is accomplished by nurturing each child to grow spiritually, academically, socially, and physically, with an emphasis on Christian values and character development.

Vision: to see young people raised up to be Godly leaders in society

A TEACHER'S PRAYER

*I want to teach my students how—
To live this life on earth,
To face its struggles and its strife
And to improve their worth.*

*Not just the lesson in a book,
Or how the rivers flow,
But to choose the proper path,
Wherever they may go.*

*To understand eternal truth,
And know right from wrong,
And gather all the beauty of
A flower and a song,*

*For if I help the world to grow
In wisdom and grace,
Then I feel that I have won
And I have filled my place.*

*And so I ask your guidance, God
That I may do my part,
For character and confidence
And happiness of heart.*

~ James J. Metcalf

Student Goals

Throughout your child's year in kindergarten you can expect to see the following things happen:

- ☑ Your child will learn about the Bible, Prayer, Worship, and have the opportunity to grow in their faith.
- ☑ Your child will learn to think of others and respect those around him/her.
- ☑ Your child will realize that we are all created equal — despite our colour, background, or culture.
- ☑ Your child will learn that school is a safe, pleasant and fun place to be.
- ☑ Your child will increase in their understanding of the world around them.
- ☑ Your child will increase in his/her ability to communicate.
- ☑ Your child will work independently and take initiative.

Why Choose HCCA Kindergarten?

Preparing our children for success starts early.

Preparing Your Child:

1. Read, read, and then read some more! The more books your child is exposed to the better.
2. After you read together, ask your child different questions about the characters, setting, or plot. Comprehension is a key component in learning to read.
3. Whenever you read a new book together for the first time, ask your child to predict what they think will happen next.
4. Letters are all around us. Point out different letters everywhere you go—signs, cereal boxes, mail etc.
5. Play “Go Fish” using alphabet cards. This is a great way to practice identifying letters.
6. Practice writing the names of other family members. Tracing, copying, or even creating the letters from objects are great ways to do this.
7. Count, count, and then count some more!
8. Practice printing and copying different numbers. Get creative!

Also, remember that children learn through play. Provide as many opportunities as possible for creative play. Talk to them about what they are playing. Role play and foster imagination!

A Kindergartner Should Know:

Before entering Kindergarten, there are some key things your child should endeavor to know:

- ☑ Their first and last name
- ☑ Their parents first and last names
- ☑ How to print their name, beginning with a capital, followed by the lowercase letters
- ☑ Their telephone number and address
- ☑ How to clean up their toys when they have finished playing
- ☑ They should be able to perform simple household tasks. For example: setting the table
- ☑ How to go to the bathroom, flush toilet, and wash hands independently
- ☑ They should be able to draw a picture, and then tell a story about it (even if it just looks like scribbles to you)
- ☑ They should be able to sit and listen while someone reads them a story
- ☑ They should be able to play nicely with other children and be able to share
- ☑ They should be able to zip up their own jacket and get dressed for outdoor winter play.
